

# SAINT PATRICK SCHOOL CURRICULUM MAP

3 AND 4 YR OLD

PRESCHOOL

**Letter People Program by Abrams Publishing:** Comprehensive language arts, social studies, science, and math series.

**The Saxon Math Program for Pre-kindergarten:** Includes hands-on activities and focuses on calendar knowledge, including seasons, months, days, number awareness and identification, and counting.

**Discovering God's Child and PeaceWorks:** Use formal religion and conflict resolution in our classroom.

4 YR OLD

PRESCHOOL

**The Happily Ever After Reading Readiness by Rowland Reading Foundation:** Focuses on oral language, vocabulary, listening skills, direction following, and fine motor skills, by using classic stories from children's literature.

**The Saxon Math program for Pre-Kindergarten:** Includes hands-on activities and focuses on calendar knowledge, including seasons, months, days, number awareness and identification, and counting.

**Letter People program by Abrams Publishing:** Comprehensive language arts, social studies, science, and math series.

YOUNG 5S

Our Young 5s Program provides a link between the Preschool and Kindergarten. Students spend the first half of the day with the 4 yr old preschool program. Then they switch over to the Kindergarten class room for lunch and remainder of the day. This allows time for children to further develop in their speech and putting sounds together.

KINDERGARTEN

**The Superkids Reading Program**

Classical Literature, Poetry, and read aloud program paired with Superkids Reading Program

**Sadlier- Oxford Progress in Mathematics**

**The Spirit of Truth and The Baltimore Catechism Bible**

**God's Plan in Scripture Timeline & The Story of the Bible**
