

LITTLE GIANTS BIG NEWS

April 2022 Edition

Principal's Note

Where has the year gone? Here we are with May knocking at our door. I hope you all had a great, holy, Easter and are ready for the last hurrah of the 21-22 School Year. So many memories and so many things yet to do. Last week the parents and staff lost another hard-fought volleyball game against our 8th grade class. As the size of the 8th grade class has gone down, the strength of their serves seems to have improved in a significant way! Great job Madi, Sophia, Adela and Zachary!

And so we face the final month ahead. We still have so many wonderful events to participate in and many more memories to create.

Events still to take place include:

- 7th and 8th grade Confirmation, Tuesday, May 3.
- First Communion, Saturday, May 14.
- Our Rosary Procession with the Fatima Statue and May Crowning, Thursday, May 19.
- 8th Grade Graduation, Wednesday, June 1.
- And our Field Day, Thursday, June 2.

Parents are welcome at any and all of these events.

Please remember that the final Star-Renaissance Test is upon us. Your teachers will be sending home reminders of the specific dates for their classes.

Finally, I would like to say that I am ever so grateful for all the love and energy each and every person in this GREAT community has put into making this a successful school year.

God Bless you all.

1st Grade's Earth Day!

The LORD God took the man and put him in the garden of Eden to work it and keep it.

[Genesis 2:15](#)

Mission Statement

“The mission of Saint Patrick Catholic School is: That everyone in the Saint Patrick Catholic School community encounter Jesus, grow as His disciples, and witness to others through a Christ-centered academic environment.”

NEWLETTER

If you'd like to add anything to the newsletter, please email Hillary Lange at hslange10@gmail.com

School Committee Update

We met for the month of April and continue to drive great discussions. We are looking to add new members for the 2022-2023 school year. Hopefully everyone read the message from Mr. Lenze. We also have started to draft the school calendar. Some dates are proposed and looking to get approved through the school office. We are aiming to have that to you before the end of the year.

Also, as the school compiles all registrations, we are looking at what our plan will be for next year based on class sizes. If you haven't yet, please ensure to log onto FACTS and get your students registered. These are needed to finalize hiring plans for next year year.

As always please remember school committee is an option for you to reach out to for any concerns you may have as a parent. If you have any questions pertaining to school committee, please reach out to Joel Grubb.

CYO

With both girls' basketball teams, 3rd grade basketball, and the 1st-2nd grade basketball camp all done now we are moving into spring sports and looking forward to the sunny weather. Thanks to all the coaches and players. Also, big congratulations to both Girls basketball teams, they did great. Now we are onto Softball. Please try to come out and see the girls' softball. It would be great to see the stands full and check out the concessions while you are there! Lastly on behalf of the school I would like to extend a big thank you to Ben Jones and Derek Meyer for coaching the softball team.

SECOND GRADE SCIENCE LAB

Reminder that beginning for the 2022-2023 school year it will be required for each family to enroll and spend \$250. You can get a head start and enroll now. Scrip is a great fundraising program that makes it easy to earn tuition credit.

If you have any questions, please reach out to Yvette Vroman at (734) 790 - 1853

St. Patrick School Foundation Update
Can You Hear Me Now: The SPS Foundation is excited to be contributing a purchase for the school, of two new speakers and a new subwoofer sound system. We are so excited to help provide the school and excellent sound system for great communication in a large group environment. As a reminder, please save the dates for our parish festival that will occur on June 3rd, 4th, and 5th.

PARTICIPATING IN
GAME DAY!**

SCHOOL CAMP OUT

We are excited to announce that we will be having our first ever end of the year campout on Friday, May 20th starting at 5pm! This will take place in the area between the baseball fields. Bring some food to cook and setup your tent. We will be building a fire, playing music and have a few activities for the kids. We ask that you follow 2 simple rules. First that this is for St Pat's students and families only, second that all kids either be accompanied by your parent or the parent of another St Pats student. In other words if you brought someone else's child you are responsible for them. This event is for all ages and will be weather permitting and not be made up. Lets send the 2022 school year off with a fun night! See you all there
