

Men's Club

Our mission is to provide social engagement for the fathers of the school and the men of Divine Grace Parish, that will allow an avenue of fundraising and donating time and energy to our parish and school.

How Do You Get Started?

The Men's Club meets the 2nd Monday of each month, usually at 7:30pm. Meetings typically last one hour. After there is a social gathering with food, liquid refreshments, card and/or just conversation.

Who Can Become Member?

Any adult male, 18 years or older and a member of the parish OR a parent of a school child belonging to the parish family community at large by desire or affiliation is eligible.

Why should You Join?

In today's busy world, it can be challenging to make a commitment. The Men's Club is not a commitment. Our group is an opportunity to become involved to the level you are comfortable and/or available. Membership participation ranges from attending a handful of events each year to full involvement with all activities.
