

# SCRIP

- What is Scrip?
  - Scrip is a tuition fundraiser program where our school families, their families, and friends are able to purchase gift cards that earn credit toward student's tuition as well as generate money for the school.
    - There are over 550 nationwide restaurants and retailers available for gift cards
  - We administer the SCRIP program through the Raise Right app
- Who can join?
  - Anyone! Our St. Pats family, as well as their extended family and friends can participate
    - Your extended family and friends can create their own account and any credit they earn can apply to your student
    - Each family member needs to fill out an agreement and enrollment form – this is how the student receiving the credit is identified
    - If you already have a Raise Right account, this does not need to be filled out again
- How does it work?
  - Raise Right is a phone app (can download through Google Play or App Store) where we can purchase e-gift cards and order physical gift cards
    - Enrollment code 62d487a4446
  - Gift cards (electronic and physical) are purchased through the app, and a percentage of the purchase goes toward a student's **next year** tuition as well as fundraises for the school
    - Gift cards purchased from May 2023 through April 2024 will apply to the 2024/2025 school year – reflected in that year's tuition bill
    - 60/40 student/school split
- How do the physical gift cards work?
  - Orders are placed once a month, on the first Friday. Gift cards will be sent home the following week (target is Monday) with students
- Questions?
  - Please reach out to Andrew Konyha, SCRIP coordinator, at [aakonyha@hotmail.com](mailto:aakonyha@hotmail.com)
