

What are the steps for SCRIP?

1. Complete the Enrollment form
 - a. Only need to complete this one time when initially registering for SCIP
 - b. Follow the instructions on the Enrollment Form Tutorial
2. Download the Raise Right app
 - a. Available in the google play/App store
 - b. For your first time, please select "Join a Program"
 - c. Enrollment code 62d487a4446
 - d. Please follow the security question and verification sections
 - e. Recommend to link your bank account to the app; this is secure through the Plaid system
 - i. HELPFUL HINT! You buy SCRIP through a direct payment from your bank account or a credit card. We strongly recommend the bank account due to fees – it charges only \$0.29/order transaction fee vs a 2.6% credit card fee
3. Use the App!
 - a. You can purchase either physical gift cards or electronic (e) gift cards thru the app
 - b. E gift cards are processed immediately – available to use minutes after ordered
 - i. They can be used in store or online
 - c. Physical gift cards are ordered once a month, on the first Friday.
 - i. Gift cards will be sent home the following week (target is Monday) with students
 - ii. Example – October 6 2023 is the first Friday of October. Any orders placed on the Raised Right app from Saturday Sept 2 through Friday October 6 2023 are submitted on Friday October 6, and the cards will be sent home with the student the week of Monday October 9
4. Tuition
 - a. Gift cards purchased from May 2023 through April 2024 will apply to the 2024/2025 school year; reflected in the 2024/2025 tuition bill
 - b. Students in their 8th grade year (with no younger siblings) are not able to have SCRIP apply to their tuition; but they can opt to have any SCRIP credits apply to another friend or family at St. Pats
5. Questions? Please reach out to Andrew Konyha, SCRIP coordinator, at aakonyha@hotmail.com
