

PEACE GARDEN PROJECT

IN HONOR OF MARY, QUEEN OF PEACE

St. Patrick School is initiating a Peace Garden that will honor Mary, the Queen of Peace. Work on the garden is expected to begin after the summer festival. Depending on the amount of donations received, items to be included in the garden would be shrubs, benches, a walking rosary (of stepping stones), religious garden statues, a small fountain or reflective pool, perennials, etc.

One way to contribute to this project is to purchase a brick paver. Each brick will be inscribed as the donor requests. A 4"x8" brick can be purchased for \$35 and will include up to three lines of inscription, with 14 characters per line. The 8"x8" brick is \$50 and will include up to five lines of inscription with 14 characters per line. Punctuation and spaces count as a character on both bricks.

Those interested in purchasing larger items such as a bench should contact the school office.

Your participation in the Peace Garden to honor Mary is greatly appreciated.
